SAP Learning Hub, academic edition – The new Course Library

**Screenshot Learning Hub**

**USER-SPECIFIC LEARNING CONTENT SCREEN**

**What you see / can do on the screen**

1. Navigation area where you can navigate between the two areas **Learning Room** and **Learning Content** of the Learning Hub.
2. Search area where you can either search for a specific topic e.g. ERP or GBI or browse all titles in the Learning Hub, academic edition.
3. In this section you can find specific information about the Learning Hub, academic edition.
4. An overview about active courses e.g. UA courses or SAP Education courses.
What you see / can do on the screen

1. Search area where you can either search for a specific topic e.g. ERP or GBI or browse all titles in the Learning Hub, academic edition.

2. Different filter option to narrow down the search results. For instance you can focus on UA- and UA-community courses or focus on different Subject Areas like Analytics or ERP.

3. Content area where the search results are displayed.
1. To focus on UA- and UA-community courses, check the box **University Alliances Courses** under **Delivery Method**.

2. By doing this, only the UA- and UA-community courses will be displayed in the course list.

3. The different icons illustrate if it is an UA/UCC-course (white UA logo) or an UA-community course (grey UA logo).
1. If you would like to focus on courses of a specific area, you can use the subject area section on the left side of the screen.

2. By clicking on a subject area, the course list will be adapted accordingly and only display courses that fit to the selected area.
To see the implemented curriculum programs choose 'Program' from the category list.

**PLEASE** clear all your previous selections (Delivery Method and Subject Areas) to get the full list.

2. Within each program you will find courses from UA, openSAP and SAP Education that fit to the overall topic of the Curriculum Program e.g., Enterprise Resource Planning (ERP).
What you see / can do on the screen

1. Each curriculum program contains all courses from UA/UCC (white UA logo), UA-community (grey UA logo), openSAP (black openSAP logo), and SAP Education Certifications (white Edu logo) that fit to the overall topic of the curriculum program.

2. The legend displays the meaning of different colours and course types. The colour coding and the dashed rectangle indicate the course level and which course could be combined content-wise.

**PLEASE NOTE:**
The indicated course order as well as the assignment of courses to a dashed rectangle are only recommendations.
By clicking the course box you will get to the individual course page.

1. UA- / UA-Community course
2. openSAP course
3. Education course

PLEASE NOTE!
